The ACT program is designed to directly enhance the Court Security Officer, Corrections/Detention Officer, Police Officer, Deputy Sheriff, Court Clerk, Judge, Court Administrator, County Commissioner, or any courthouse / public building personnel's capabilities in advanced threat awareness skills and allows for a proactive approach to observe and identify threat indicators that exist in the human and courtroom environment. This program can save lives.

The program teaches public servant personnel how to establish baselines in their environment and how to recognize certain anomalies that indicate potential threats through human behavior, body language and environmental awareness.
