

*The WCRP Presents:*

# Situational Awareness Webinar

**INSTRUCTOR:** Jesus M. Villahermosa, Jr., Crisis Reality Training, Inc.

**OVERVIEW:** With increased civil unrest and potential workplace violence, individuals need to be aware of their surroundings and form plans of action now more than ever. Participants of this training will come away with a better understanding of what drives gut instincts in certain situations and what those instincts are trying to tell people. Jesus will teach practical skills to help participants actively practice situational awareness, and identify some of the pre-cursors of violence which will allow time to implement a response or evasion plan to mitigate the risk of an assault.

The WCRP anticipates high demand for this one-hour course so two live sessions are being offered, with a maximum of 250 attendees each. Please make sure to register for the date that works best for you!
